

# 7TH GRADE TEAM 702

SUCCESS GENERATES MORE SUCCESS

## NEWS FROM THE AMBASSADORS

### Upcoming field trip to the RENAISSANCE FAIR

We will be going to the Renaissance fair Oct. 15th. This is a unique opportunity for students to experience life during this era. The fair offers jousting events, food tastings, and much more. There will be information coming home today. Please pay attention to the money due and timeline of events.

**THE LIBRARY IS OPEN!** Students visit the library every other Wednesday. Mrs. Lyons, the media specialist, assisted them with the process and now they have a borrowed book of their own. It is expected that students read at least 20 min nightly and carry this book to each class. Please remember students must be responsible for their book or they will have a fine.

**SMOD reminders:**  
Sweatshirts must be solid color, no logos except Wiley Wear. No jeans of any color are SMOD approved.

### IMPORTANT DATES

#### Upcoming things to remember.

Progress reports go home	<b>Sept.</b>
PTA/Back to School Open House 5:30-7:30	<b>Sept. 16th</b>
Renaissance field trip forms and money due	<b>Sept. 19th</b>

### PARENTING TIP OF THE WEEK

- \* Put up your child's daily schedule on the refrigerator. This is a wonderful spot for him to check whether he has gym or band on that particular day. You will also be able to access his schedule here and help him with gentle reminders.

## CURRICULUM NEWS

In **Language Arts** students are focusing on characterization with short stories, stations, and folktales. For some **Math** news, students finished +/- with rationale numbers and will be moving to X/%. Please encourage students to practice multiplication facts.

In **Social Studies**, students are learning about foundations of Social Studies including terms and concepts. In **Science**, students are discussing the process behind scientific inquiry and the design process. For Unit 1, students need a sample of murky water to take a deeper

look at cells.

**Homework is given every night in Math and Language Arts.** All the other classes depend on that week's assignments. A daily planner is a great tool to stay organized.
