

7TH GRADE TEAM 702

SUCCESS GENERATES MORE SUCCESS

NEWS FROM THE AMBASSADORS

BOXTOPS AND SUPPLIES: Please look for boxtops on school supplies, cereal, and snacks. We are still in desperate need of beginning of the year school supplies. Please send in pencils, tissues, and things for our team store (ex: erasers, stickers, unique pencils, puzzles, candy).

PICTURES! PICTURES! PICTURES!

September 10th is picture day! Students

must wear their "dress your best" attire. This picture will appear in the yearbook. Students must return their picture form with money by Sept. 10th if they want to purchase pictures. There is a link on the form to pay online as well.

Please remember students must be in SMOD on a daily basis. Refer to website if more information is needed.

LAST ANNOUNCEMENT: This newsletter will come home every Wednesday by email. Beginning next week, if you provided your email at Open House, you will receive the newsletter that way. Email Ms. Scruggs (scscruggs@wsfcs.k12.nc.us) if you'd like to be added to the list. Email is the fastest and most efficient way of communication on a daily basis.

IMPORTANT DATES

Upcoming things to remember.

Early Release Day/ Fall pictures	Sept 10th
Ground Zero Rescue Workers visit in honor of 9/11	Sep 11th
PTA Back to School Night/Open House	Sep 16th

PARENTING TIP OF THE WEEK

- * Teach your child daily organizational habits like checking an assignment sheet before leaving their locker everyday or packing up their book bag the night before and being sure they have everything they need for the next day.

CURRICULUM NEWS

In **Language Arts** students are focusing on central idea and genre. Visit our website to vote for your favorite genre.

For some **Math** news, students have been working on operations with positive and negative numbers.

In **Social Studies**, students are learning about foundations of Social Studies including terms and concepts.

In **Science**, students are creating an environment for scientific inquiry and next week will be diving into cellular

biology.

Homework is given every night in Math and Language Arts. All the other classes depend on that week's assignments. A daily planner is a great tool to stay organized.
